

Benefits

Dion Durrell's benefits plan includes health, dental, accidental death and dismemberment, an optional life insurance plan, and both short-term and long-term disability insurance.

In Canada, Dion Durrell also offers a flexible spending account which can either be applied towards a Health Spending Account and/or a Lifestyle Spending Account.

New Associates are immediately eligible to participate in our benefits program as well as our competitive pension plan, to which the firm contributes an increasing amount on your behalf with increasing years of service.

Vacations begin with three weeks, and Associates are entitled to additional days for personal time or sick leave.
